Free Thursday Classes

"The Thursday classes completely transformed my relationship with fitness. I went from dreading workouts to looking forward to them every week. The community support is incredible!"

Sarah Martinez

Marketing Manager, 32

"After years of back pain from desk work, the movement coaching helped me build real functional strength. The personalized approach made all the difference."

David Chen

Edit with [Lovable](#)

Software Developer, 28

"I was intimidated by fitness classes, but this community welcomed me with open arms. The outdoor setting and mindful approach helped me reconnect with my body."

Maria Rodriguez

Teacher, 41

"The nutrition guidance alongside movement training created a complete lifestyle change. I have more energy and focus than I've had in years."

James Wilson

Entrepreneur, 35

"Working long shifts, I needed efficient training that actually worked. These methods gave me strength and flexibility in just a few sessions per week."

Elena Petrov

Nurse, 29

"As a busy parent, I thought I didn't have time for fitness. The Thursday classes fit perfectly into my schedule, and my kids love seeing me active."

Frequently Asked

Everything you need to know to get started with confidence.

✅ Do I need any experience with calisthenics?

Not at all! Our Thursday classes welcome complete beginners. We start with fundamental movements and progress gradually based on your comfort level.

**What should I bring to the outdoor classes?**

Just bring yourself, water, and comfortable workout clothes. We provide any equipment needed, and the exercises use your bodyweight.

**What if the weather is bad on Thursday?**

We have backup indoor locations for inclement weather. We'll notify the community via our messaging group 2 hours before class.

**How much do the 1-on-1 coaching sessions cost?**

Personal coaching rates vary based on your goals and package. Contact us for a free consultation to discuss pricing that fits your budget.

**Can I join if I have injuries or physical limitations?**

Absolutely! Our approach emphasizes safe, progressive movement. We'll work with your limitations and help you build strength within your capabilities.

Ready to Transform Your Life?

Join our community this Thursday and discover the joy of movement. Your body and mind will thank you.
